**IMPORTANT INFORMATION FOR CONSUMERS:**

You must drain the engine oil and coolant and replace them with quality brands fluids.  
 A T-CLOCS inspection should be checked before each ride. For more information go to [www.msf-usa.org](http://www.msf-usa.org)  
 Always wear appropriate safety gear when operating or riding on your vehicle.  
 You must contact your dealership (Family Motorsports) prior to repairs or the warranty may be void.  
 All tech support inquiries are handled in person, over the phone, or through email.
